Combining Beauty with Science

With the increasing trend of using the wonders of science to defy time and define beauty, Aura & Miracles have introduced what is now popularly known as The Lunchtime Peel.

It is a gentle treatment that removes the topmost skin layer while vacuuming away dead skin cells in a sterile and controlled manner, leaving your skin supple and vibrant. Aura & Miracles uses the NewApeel DiamondTone method and it is approved by the United States FDA.

"It promotes skin regeneration minus the redness, irritation or disruptive side effects," Sueann Lye, the owner tells Homes. "We also use Dr. Hauschka products, which are made from natural ingredients that work in harmony with the treatment, allowing natural beauty to unfold."

Endermologie treatments

Aura & Miracles is one of the few centres that offer Endermologie treatments which are US FDA-approved. "The problem with wellness centers nowadays is that they make you sign up for all sorts of treatments when what you need is only Endermologie and since the centre that I went to ceased business, I decided to start one because it actually works," Sueann explains.

There are three Endermologie treatments and Aura & Miracles offers all of them. The Endermologie for Body treatment promises to reduce the 'orange peel' cellulite as well as the ugly flab on certain parts of your body for the desired smoother and firmer skin. Depending on individuals, they can experience a difference after five sessions.

The amazing results can also be achieved on the face with Endermologie for Face Contouring. It helps revitalize your dull, tired looking skin and wrinkles by stimulating collagen production, thus giving you firmer contours and smoother skin on the face.

Aura & Miracles offers Facial Lymphatic Drainage using the LPG method. It is a detoxifying and absorbing session that prepares your skin for natural

absorption of enriching serum and ampoules. This relaxing treatment unblocks facial lymph nodes, promotes skin renewal and enhances blood circulation.

All first time customers are entitled to a special promotion price of only **RM100** for any treatment. The normal individual sessions range from **RM150** to **RM200** and subsequently, they are entitled to **RM50** off the package price. Opening hours are Monday to Sunday, 10.30 am to 7.30 pm. **H**

Call 6333 8707 to book your appointments at **Aura & Miracles**, 402 Orchard Road, #05-13 Delfi Orchard.
