Trend Alert:

Lavender

Perhaps because it's a soothing scent and a calming colour – lavender has taken centre stage in everything from food to fashion.

Lavender is the colour of choice at the new beauty salon **Aura & Miracles**. One of the few salons to offer Endermologie treatments for the face – it's claimed to revitalise dull skin and contour the face – Aura & Miracles also uses Diamond Dermabrasion. And its interiors feature soothing lavender accents and colours! At #05-13 Delfi Orchard, Tel: 6333 8707.
